Re: Essential Services

To Whom It May Concern:

As E and C Services, LLC provides crucial services to individuals within the developmentally disabled community it is imperative that any contracted direct care providers and administrative personnel be permitted to attend to their duties at the various locations services are provided, many of which are clients' homes throughout the state of Arizona and the administrative office. These services are deemed essential according to Governor Ducey's executive order issued on 3/23/2020 and can be found here: <https://azgovernor.gov/governor/news/2020/03/list-essential-services>

This letter serves as notification that this individual is either essential administration or an essential contracted direct care provider and must be allowed to fulfill their duties as required.
